TEES UP A
GOLF BALL
AUTOMATICALLY!

This Golf Practice Unit is Great for-

♪ New & Experienced Golfers

What all golfers of all ages need is practice, practice, practice. Set up the **TEEMATIC** & improve your game!

♪ The Young at Heart

Seniors won't have to bend over to set the ball on the tee. Fill the **TEEMATIC** carousel with a large bucket of balls & swing that club!

♪ Teaching

Pros, coaches, & teachers set the stance of your student. Press the **TEEMATIC's** convenient foot pedal & it's a great teaching tool!

♪ School Golf Programs

The golf team has only so many days to practice. Don't let those rainy days be wasted. Set up a **TEEMATIC** inside & improve your program!

♪ Warming up for Tournament Play

Be ready for play even if the course doesn't have a driving range. Set up the **TEEMATIC** & your golfers will be glad you did!

♪ Driving Ranges

Protect your turf & sell more buckets of balls. The **TEEMATIC** will shorten practice time by 40%!

♪ Sports Amusement Parks

Sell more buckets of balls in less time. With the **TEEMATIC**, everyone from young to old can try golf!

♪ Off Season Practice

Don't let those cold, wet days keep you away from your favorite pastime. Set the **TEEMATIC** in your basement or garage & lower your score!
