

● **TEEMATIC** is easy to operate. People of all ages & skill levels can improve their golf game with **TEEMATIC**.

● Adjust the front base in the built in track for the type of shot, then fill the **TEEMATIC** carousel with a large bucket of balls. Set the tee height, press the convenient foot pedal with your foot or club, & the ball carousel sends a ball down the gutter where it's tee'd up, ready to be hit.

● Rotate the **TEEMATIC's** ball spout so the golf ball comes down the middle onto the brush surface for fairway wood & iron practice. With the optional turf, practice your trouble shots by snapping out the fairway turf & inserting any of the 3 FiberBuilt® turfs available.

● Don't ruin your golf club or injure your wrists & elbows by hitting off of inferior mats. Protect your health & your golf clubs by using **TEEMATIC**.

● **TEEMATIC's** rugged construction of low density plastic provides years of use & enjoyment both indoors & out.

Superb Hitting Surface

for Left-Handed Hitting-
Move the Tee to the Other Side
